The MTA’s interactive voice response system (IVRS) gives passengers several inquiry options using a touch tone phone keypad. When a passenger calls a service center, the call will be answered by the IVRS. After a brief greeting and opening bulletin, a passenger will be given seven choices:

2) Cancel a ride
3) Book a ride
4) Check on a scheduled ride
5) Contact customer service
6) Listen to frequently asked questions and answers about service
7) Manage an account

The IVRS gives MTA passengers the flexibility to request or check on rides at their convenience, including outside normal office hours. If a passenger prefers to speak with a trip coordinator, the passenger can press the number 0 on the phone keypad. This also applies to ADA clients who need to schedule rides.

New clients need to set up an initial appointment with a trip coordinator at the appropriate service center to obtain a client ID# and a password. Coordinators are available during office hours 8 a.m.-5 p.m., Monday through Friday. For further IVRS instruction, contact the MTA Customer Service Department at (810) 767-0100.
