

RFP 2022-03: CNG Powered Lift Equipped Over the Road Coach Buses

The Mass Transportation Authority (MTA) requests Proposals for the manufacture and delivery of 45' CNG Powered Over The Road Coach Bus equipped with a commercial wheelchair lift ideally suited for **public commuter transit operations** and all associated training, operating and maintenance materials and manuals in accordance with the terms and conditions set forth in RFP 2022-03.

The RFP, Contract Documents and Addendums can be obtained electronically on the Bidnet Direct website at <https://www.bidnetdirect.com/> formally the Michigan Intergovernmental Trade Network (MITN) on or after October 3, 2022. Proposers will be able print out the proposal documents and outline specifications on Bidnet Direct. As a vendor, you can register with the Bidnet Direct at the following website: <https://www.bidnetdirect.com/> and be sure that you see all available bids and opportunities. Bidnet Direct will be used to issue any addenda or information relative to the RFP requirements. Sealed proposals must be received by the MTA on or before 3:00 P.M. (EDT), Wednesday, December 7, 2022.

The MTA reserves the right to waive any informality in the request for proposals; to reject any or all proposals; and to make any award which it considers to be in the best interest of the MTA. The MTA reserves the right to use whatever reasonable and prudent evaluation techniques it deems appropriate.

Funding for this project is provided through a Federal and State Grants.
