### WHERE TO BOARD THE BUS

MTA buses stop to pick up and let off passengers at designated bus stop locations. Bus stop signs are located at most primary route bus stop locations. You may also board the bus at the MTA’s Customer Service Center, centrally located in downtown Flint.

### SHELTERS

Bus shelters are provided at many bus stops throughout the area for your convenience and protection in bad weather. As a courtesy to others, please do not leave litter or other debris behind. If you or your neighborhood is interested in adopting a bus shelter, please call us at: (810) 767-0100.

### HOW TO IDENTIFY YOUR BUS

Every bus is identified with a route name and number which can be seen over the windshield. The route names and numbers are the same as the routes shown in this guide.

### HOW TO BOARD THE BUS

- Wait at a bus stop sign. It’s a good idea to arrive a few minutes ahead of the scheduled departure time.
- As the bus approaches, look for the route name and number above the windshield. On some streets more than one route may be running, so be sure you board the bus that you want.
- Wait until the bus comes to a complete stop, then board at the front of the bus.
- Have your bus pass or exact fare ready when you board the bus. The farebox will accept coins or bills.
- If you need to transfer to another bus to complete your trip, ask the bus operator for a transfer when you board the bus.

### HOW TO GET OFF THE BUS

- The large transit coaches have signal strips mounted on the wall. As the bus nears your destination, about one block away, push the strip that is along side of your seat. A buzzer will signal the operator that you want to get off.
- When the bus comes to a complete stop along a route, you may exit. If you are on a large transit bus, exit through the rear door. Exit a small transit bus through the front door. If you will be crossing the street, wait for the bus to leave. Watch for traffic before going on.

### PERSONS WITH DISABILITIES

Passengers who need to board a primary route bus using a wheelchair lift will find a lift equipped transit bus operating on basic primary routes every hour. Passengers who are not able to use a transit bus because of a disability are eligible for curb-to-curb service known as Your Ride. For more details see the Your Ride section.

## HOW YOUR RIDE SERVICE WORKS

Your Ride transportation is provided through local service centers. There are eleven Your Ride Service Centers, each working to serve the transportation needs of residents in the surrounding service area. Regardless of where you want to travel in Genesee County, the service center nearest to your home will arrange the trip. You may plan a trip within your local service area, or you may travel to a different service area. Make all your arrangements through your local Your Ride Service Center.

### Trips outside your service area

At times, Your Ride trips to locations outside of your immediate service area may transfer through the MTA Transfer Center in downtown Flint. At the Center, you can transfer to vehicles going to specific locations within the city and to locations throughout Genesee County.

### Trips into and out of Flint

Your Ride service in Flint is reserved for persons with disabilities and senior citizens. Other passengers can use the fixed route bus system for travel within Flint. Passengers traveling into Flint on Your Ride may transfer to the fixed route system at the downtown Flint Transfer Center. Likewise, passengers traveling from Flint to suburban areas may take a bus to the downtown Flint Transportation Center and transfer to a Your Ride vehicle. There is a transfer fee of ten cents. Passengers transferring from a bus must schedule Your Ride transportation through their local Your Ride Service Center.

## YOUR RIDE PASSENGER SERVICE

### Curb-To-Curb

For most passengers, this means that at your confirmed pickup time you should meet the Your Ride van at the curb or streetside for your pickup.

The following limitations may apply:

- Drivers may only assist ambulatory passengers up or down one step, or the curb.
- Drivers may not assist passengers in wheelchairs up or down any steps.
- All wheelchair passengers must have foot rests on chairs for transportation.
- In the winter, drivers may not assist passengers from the door to the Your Ride van if the driveway, walk or ramp needs to be shoveled.
- Before daylight or after dark, drivers will not go to the door to get passengers. Passengers will be contacted by Your Ride when the van has arrived to pick them up.
- Your Ride drivers do not help passengers prepare for their trips.
- Passengers who cannot travel alone should bring an aide. Trip reservations should be made for both passenger and aide at the same time. If passengers are certified as ADA eligible, their aides are not charged a fare.
- Passengers may bring a travel companion. The companion must pay the appropriate fare. Additional companions will be accommodated based on available space.
- Upon arrival, passengers should stay seated until the driver announces that they can get off. The driver will be available to assist every passenger on and off the Your Ride vehicle. Passengers can bring any parcels on board the van that they and/or their aides can carry on and off the van in one trip.
- Your Ride drivers are not qualified to give any medical assistance.

## SCHEDULING A TRIP

Call your nearest Service Center to reserve your trip, 1 days to 7 days in advance. Calls should be received no later than 2:00 p.m. on the day before your scheduled trip.

- Subscription service is available for passengers who make the same trip on a regular basis. Passengers who are eligible under Americans with Disabilities Act (ADA) can call until 5 p.m. the day before.
- Be as complete and specific as possible when you make your reservation. Tell Your Ride about any physical abilities or disabilities that may affect your trip. Need assistance? Let them know if it will cause a problem if your van is early or late. Give the exact address to your pickup/drop-off locations and details, such as door location, etc.
- Call the day before to confirm your ride. Be sure to get the call-taker’s name. You will be given a 30-minute pickup “window.” The driver could arrive any time during that 30-minute period.

## INTERACTIVE VOICE RESPONSE SYSTEM

The MTA’s Interactive Voice Response System (IVRS) gives passengers several inquiry options using a touch tone phone keypad. When a passenger calls a service center, the call will be answered by the IVRS. After a brief greeting and opening bulletins, a passenger will be given seven choices:

- 1) Confirm a ride
- 2) Cancel a ride
- 3) Book a ride
- 4) Check on a scheduled ride
- 5) Contact customer service
- 6) Listen to frequently asked questions and answers about service
- 7) Manage an account

The IVRS gives MTA passengers the flexibility to request or check on rides at their convenience, including outside normal office hours. If a passenger prefers to speak with a trip coordinator, the passenger can press the number 0 on the phone keypad. This also applies to ADA clients who need to schedule rides.

## WAITING FOR YOUR RIDE TO ARRIVE

- Be ready to go at the beginning of your pickup window. The driver will not wait more than five minutes for you to come out to the vehicle.
- The driver may come before your scheduled pickup window. If the van arrives early, it will wait until the scheduled pickup window.
- If the van is more than 15 minutes late, call Your Ride. The staff person will check on your van and, if necessary, send a different one to pick you up. If you have to leave the pickup location to make your phone call, and miss your pickup, the Your Ride staff will instruct the driver to return and pick you up so you must call to confirm your pickup time.
- Tell the driver who you are, so she or he knows that you are the right person to be picked up.
- Have correct fare or a monthly pass available when boarding the vehicle. Drivers do not make change. If you are paying a fare, please pay only one way at a time. Do not pay for a round trip upon boarding.

## WHAT TO EXPECT

- Your Ride trips may take up to 60 minutes. If you need to arrive at a certain time, you may be picked up as much as 90 minutes ahead of your scheduled appointment because of other trips scheduled on the same day. This will ensure that you are on time for your scheduled appointment.
- You can use Your Ride for one-way or round trips. Your return trip must be at least one half hour after you are dropped off. The van will drop you off and go to its next stop.
- You will be given a pickup time window when you call for your trip. This can change, depending on other calls received after yours, so you must call to confirm your pickup time.

**Your Ride Service Hours:**  
Monday-Friday 6:30 a.m. - 10:30 p.m.  
Saturday 6:30 a.m. - 10:30 p.m.  
Sunday 7:00 a.m. - 7:30 p.m.  
**Work Related:** Anytime 7 days a week

CHANGING OR CANCELLING A TRIP

- If your plans change, cancel your reservation as soon as possible. To cancel a reservation call your community service center at least 60 minutes before your scheduled pickup window. If you do not cancel at least 60 minutes in advance, you will be marked a no show.
- If you need to change your reservation, you must call by 2:00 p.m. the day before your scheduled trip. Passengers eligible under ADA can call until 5 p.m. the day before.
- Cancellations are considered missed trips. You will be notified if you have a high rate of missed trips.
- If time permits, the driver will wait a few minutes. If you are not ready to go by then, the driver must leave to pickup other passengers in order to remain on schedule. If you are not ready to go within your pickup window you will be marked a no show.
