**How To Identify Your Bus**
Every bus is identified with a route name and number which can be seen over the windshield. The route names and numbers are the same as the routes shown in this guide.

**How To Board The Bus**
- Wait at a bus stop sign. It’s a good idea to arrive a few minutes ahead of the scheduled departure time.
- As the bus approaches, look for the route name and number above the windshield. On some streets more than one route may be running, so be sure you board the bus that you want.
- Wait until the bus comes to a complete stop, then board at the front of the bus.
- Have your bus pass or exact fare ready when you board the bus. The farebox will accept coins or bills.
- If you need to transfer to another bus to complete your trip, ask the bus operator for a transfer when you board the bus.

**How To Get Off The Bus**
- The large transit coaches have signal strips mounted on the wall. As the bus nears your destination, about one block away, push the strip that is along side of your seat. A buzzer will signal the operator that you want to get off.
- When the bus comes to a complete stop along a route, you may exit. If you are on a large transit bus, exit through the rear door. Exit a small transit bus through the front door. If you will be crossing the street, wait for the bus to leave. Watch for traffic before going on.

**PERSONS WITH DISABILITIES**
Passengers who need to board a primary route bus using a wheelchair lift will find a lift-equipped transit bus operating on basic primary routes every hour. Passengers who are not able to use a transit bus because of a disability are eligible for curb-to-curbs service known as Your Ride. For more details see the Your Ride section.

HOW YOUR RIDE SERVICE WORKS
Your Ride transportation is provided through local service centers. There are eleven Your Ride Service Centers, each working to serve the transportation needs of residents in the surrounding service area. Regardless of where you want to travel in Genesee County, the service center nearest to your home will arrange the trip. You may plan a trip within your local service area, or you may travel to a different service area. Make all your bus arrangements through your local Your Ride Service Center.

Trips outside your service area
At times, Your Ride trips to locations outside of your immediate service area may transfer through the MTA Transfer Center in downtown Flint. At the Center, you can transfer to vehicles going to specific locations within the city and to locations throughout Genesee County.

Trips into and out of Flint
Your Ride service in Flint is reserved for persons with disabilities and senior citizens. Other passengers can use the fixed route bus system for travel within Flint. Passengers traveling into Flint on Your Ride must transfer to the fixed route system at the downtown Flint Transfer Center. Likewise, passengers traveling from Flint to suburban areas may take a bus to the downtown Flint Transportation Center and transfer to a Your Ride vehicle. There is a transfer fee of ten cents. Passengers transferring from a bus must schedule Your Ride transportation through their local Your Ride Service Center.

YOUR RIDE PASSENGER SERVICE
Curb-To-Curb
For most passengers, this means that at your confirmed pickup time you should meet the Your Ride van at the curb or streetside for your pickup.

The following limitations may apply:
- Drivers may only assist ambulatory passengers up to one step, or the curb.
- Drivers may not assist passengers in wheelchairs up or down any steps.
- All wheelchair passengers must have foot rests on chairs for transportation.
- In the winter, you may not assist passengers from the door to the Your Ride van if the driveway, walk or ramp needs to be shoveled.
- Before daylight or after dark, drivers will not go to the door to get passengers. Passengers can call by Your Ride when the van has arrived to pick them up.
- Your Ride drivers do not help passengers prepare for their trips.
- Passengers who cannot travel alone should bring an aide. Trip reservations should be made for both passenger and aide at the same time. If passengers are certified as ADA eligible, the aide cannot not be charged a fare.
- Passengers may bring a travel companion. The companion must pay the appropriate fare. Additional companions will be accommodated based on available space.
- Upon arrival, passengers should stay seated until the driver announces that they can get off.
- The driver will be available to assist every passenger on and off the Your Ride vehicle. Passengers can carry any parcels on board the van that they and/or their aids can carry on and off the van in one trip.
- Your Ride drivers are not qualified to give any medical assistance.

SCHEDULING A TRIP
Call your nearest Service Center to reserve your trip, 1 days to 7 days in advance. Calls should be received no later than 2:00 p.m. on the day before your scheduled trip.
- Subscription service is available for passengers who make the same trip on a regular basis. Passengers who are eligible under Americans with Disabilities Act (ADA) can call until 5 p.m. the day before.
- Be as complete and specific as possible when you make your reservation. Tell Your Ride about any physical abilities or disabilities that may affect your trip. Need assistance? Let them know if it will cause a problem if your van is early or late. Give the exact address to your pickup/drop-off locations and details, such as door location, etc.

Call your nearest Service Center to confirm your ride. Be sure to get the call-taker’s name. You will be given a 30-minute pickup “window.” The driver could arrive any time during that 30-minute period.

INTERACTIVE VOICE RESPONSE SYSTEM
The MTA’s Interactive Voice Response System (IVRS) gives passengers several inquiry options using a touch tone phone keypad. When a passenger calls a service center, the call will be answered by the IVRS. After a brief greeting and opening bulletin, a passenger will be given seven choices:
- 1) Confirm a ride
- 2) Cancel a ride
- 3) Book a ride
- 4) Check on a scheduled ride
- 5) Contact customer service to confirm your ride
- 6) Listen to frequently asked questions and answers about service
- 7) Manage an account

The IVRS gives MTA enthusiasts the flexibility to request or check on rides at their convenience, including outside normal office hours. If a passenger prefers to speak with a trip coordinator, the passenger can press the number O on the phone keypad. This also applies to ADA clients who need to schedule rides.

To schedule or confirm a trip, call the Your Ride Community Service Center nearest you (boundaries shown in italic below)
