Ride the new route before it begins!

New Route 14 Preview

MTA is proposing adding a new Primary Route 14 - Downtown Flint. As part of the public engagement we are inviting the public to ride the route with us as a preview and ask questions. Each Monday in October 3 times a day, MTA will offer the public the opportunity to ride the proposed route with a member of our planning team. Plenty of time will be given in order to allow for questions and/or comments. All rides will start at the MTA Northrup-Abrams Transportation Center and the bus will be located on Harrison St.

All route previews are free and accessible for all to participate!
