ADDENDUM

The RFP is modified as set forth below:

REQUEST FOR CLARIFICATION/INFORMATION:

- 1. What is the length, width and height dimensions of the room where the Bus Driving Simulator will be installed?**

Answer: 48ft. x 73ft. 11in. x 17ft. 9in. from floor to beam high

- 2. Does the MTA Office of Training & Development Building 5 provide double-door entryways throughout the entire installation path?**

Answer: As stated in the answer for question #7 of Addendum #1; the simulator training area has installation access to the outside via a ground level cargo roll-up door that is 14ft. high by 12ft. wide.

- 3. Can MTA provide a "Hotspot Library" where drivers on their routes encounter historically problem areas (ex. High collision/claim rates,**

frequent near-miss areas and driver/operator feedback of problem areas) this will provide instructors focused training exercises where they matter most?

Answer: Yes, we can provide a “Hotspot Library” once the vendor is selected.

- 4. Based on Pre-bid Meeting discussion, will MTA confirm that they will consider a period of performance that extends beyond the all work/tasks completion date of September 1, 2026?**

Answer: Yes

- 5. In the RFP 2025-16 Table of Contents references Attachment A through J, Attachment F is not listed. Does Attachment F exist?**

Answer: There is no Attachment F as part of RFP 2025-16,

- 6. In reference to Section 4.1 of RFP 2025-16; can a proposal exceed 60 pages when submitted electronically?**

Answer: Due to the highly technical nature of the Bus Driving Simulator an electronic proposal submission can exceed 60 pages for RFP 2025-16.

- 7. In relation to the MTA Flint Fleet what make/model vehicles should be the main focus to be represented in the Bus Driver Training Simulator?**

Answer: For Paratransit, the Ford Transit Van should be the main Paratransit vehicle represented in this category as the Ford E-Series Eldorado Paratransit Vans are being phased out of the fleet. The Gillig 40' (Hydrogen & CNG versions) and Blue Bird Buses are the main large bus vehicles in the MTA Flint Fleet that should be represented vehicles in the Bus Driver Training Simulator.
