

**RFP# 2025-17  
Bus Advertising**

**ADDENDUM # 3**

**Date of Addendum: November 14th, 2025**

**NOTICE TO ALL PROPOSERS**

The Request for Proposal (RFP) is modified as set forth in this Addendum. The original RFP and any previously issued addenda remain in full force and effect, except as modified by this Addendum. Proposers shall consider this Addendum when preparing and submitting a proposal and shall acknowledge receipt of this Addendum in their proposal.

**PROPOSALS SUBMITTAL DEADLINE**

The proposal submittal deadline remains unchanged by this Addendum.  
**Proposals are due Wednesday December 3rd, 2025 by 3:00 PM (EDT).**

**ADDENDUM**

The RFP is modified as set forth below:

**REQUEST FOR CLARIFICATION/INFORMATION:**

- 1. What is the company name of MTA's current advertising vendor?**

Answer: Outfront Media is MTA's current bus advertising vendor.

- 2. Will MTA indemnify a new contractor against any damage that may occur to bus paint or graphics upon removal of previous vendors advertisements?**

Answer: Yes. MTA will indemnify a new contractor against any damages that may occur to bus paint or graphics upon removal of a previous vendor's advertisement(s).

3. **How many buses include special graphics and branding on them such as the buses promoting that they are hydrogen? Will those buses be available to have exterior advertising? If so, is it expected that those graphics are removed prior to install or remain on the bus?**

Answer: Outfront Media currently removes old bus wraps based on contract language. There are three hydrogen buses and six revenue electric vehicles that MTA would not want to apply advertising to.

4. **How many buses does MTA currently have wrapped for its own purposes such as the example shown in Addendum 2?**

Answer: Two buses are wrapped for MTA's own use.

5. **Does MTA currently run BlueBird buses in its fleet? If so how many?**

Answer: MTA currently has 52 Blue Bird buses in its fleet.

6. **Does MTA anticipate receiving new heavy duty buses within the next five years?**

Answer: Yes. MTA currently has an additional three buses on order.

7. **Please confirm that exterior advertising will be allowed on any new vehicles entering services during the new contract period?**

Answer: Generally, Yes. Although dependent on the type of vehicle and the limitations set forth in the contract.

8. **We understand in the RFP and addendum 2 MTA's desire to provide fleet details such as make and model of the buses only to the awarded vendor but having that information during the bid process allows us to have a more accurate picture of revenue generating inventory. Can MTA provide year, makes and models for at least the 14 Ex-large buses, 61 large buses, 38 mid-sized buses and small buses/transits?**

Answer: Please see attached list of vehicle makes and models. This list will also be available on BIDNET and the MTA website.

9. **Our understanding from the RFP is that shelter advertising is a part of this agreement. Can you tell us if any of the shelters have advertising cabinets or is it anticipated that advertising will be directly applied to the shelter?**

Answer: At this time advertising will be directly applied bus shelters. There are no advertising cabinets at this time.

**10. Please confirm that shelter maintenance, such as garbage removal, snow removal and grass cutting is NOT the responsibility of the vendor and that the vendor is not responsible for replacing or fixing structural damage to shelters?**

Answer: Garbage removal, snow removal and grass cutting is NOT the responsibility of the vendor. The vendor is not responsible for replacing or fixing structure damage to the shelters caused by general use. Vendors will be held responsible for any damages to shelters during the course of installation/removal.

**11. If the vendor can satisfy MTA that it is financially sound with the capabilities and history of making payments will MTA waive the Irrevocable Letter of Credit?**

Answer: At this time, MTA does not intend to waive the Irrevocable Letter of Credit requirement. The Letter of Credit serves as a performance and financial assurance mechanism for all proposers. However, MTA reserves the right to review all supporting financial documentation as part of its evaluation process.

**12. Section 2.2 #11. To install interior cards or small king, queen tail signs is relatively inexpensive however the installation cost for full wraps and larger options could be several thousands of dollars depending on quantity and type of wrap MTA would be looking to have installed. Is MTA open to alternative ideas to share in that cost?**

Answer: MTA is not interested in sharing the requested costs at this time.

**\*\*\*BID SUBMITTORS MUST INDICATE ON THE EXTERIOR OF THEIR BID PACKAGE “ADDENDUM #1, ADDENDUM #2 and ADDENDUM #3 RECEIVED”\*\*\***

**END OF ADDENDUM #3**
